Stops When Time is Up

THURSDAY

The Men We are Going to Vote For August 4th.

The time is close at hand when we are to choose men for seven weeks I was in the field enjoyed the games, string music oil and gas for the term of to handle our county finances and manage the government at my own expense fighting to and refreshments that were served of our affairs generally.

In nominating these men we, as men who are voting torial campaign of the State. to go home. with an aim, will vote for the man that is going to stand for material road improvement.

Did you know, Mr. Voter, that this is the opportune be bought, for my integrity is Misses Cora and Joan Rose, of time to elect men and stand behind men that will stand for above the price of gold. I cannot Lexie, spent Saturday night with roads regardless of what comes up. Now is the time for be influenced except by the com- Alvin Oldfield and family. The this county to vote bonds for building roads. We can give mon people for whom I am mak- girls were accompanied by their Bush and Crit Childers;
On the East by the lands of Elizabeth you some good reasons, namely:

First-Our county is being sought from every state in elected I want the farmers, the There will be church at this the union by men WITH MONEY-men that want to de- coal miners, the lumbermen and place Saturday and Sunday. vevelop this country for oil and gas. These men are rich the railway men who live by honand want to spend their money in a way that will make est toil to come to West Liberty, Blanche May, were highly enterthem more comfortable and afford them most pleasure. For ther place, and make their wants and Joan Rose Sunday. instance: If an "oil man" comes to Campton or Helechawa known. I want them to establish and wants to go to the Lacy creek oil field, the first thing themselves as my board of advishe wants to know is whether or not he can go in an auto- ors-for to them first, last and mobile, and if there is one to be had he is going to ride over all the time will I devote my time there in it if it costs him \$5.00, while he could have hired a and my efforts. There will be no section. horse for \$1.00. But, you say, how does this help us build representatives of the Haley-Cox roads? It is this way: That fellow owns these oil wells machine, or any other machine, Frank Clark 75 sheep for a good in.... months from the confirmation of this lease, otherwise this lease becomes and wants to be here close. If he can get over the roads behind closed doors to throttle price. then he owns his auto, stays here in the county, pays the me and say vote "yea" or vote county so much for a license to run his auto, pays taxes to "nay" or appoint this or that. county on thing itself, and becomes a taxpayer generally Thank God I am above that, and here in the county. As it is he invests just as little money they know it, hence their bitter, here as he possibly can to operate his business here and persecuting opposition to me. spends his time and money in Winchester or Lexington where they have good roads.

Another reason why we should vote road bonds now Money is the cheapest now this country has ever known it and for that reason we can put our bonds on the market at J. C. Lindon of Campton spent Saturday with their parents, O, except water from wells of the first the lowest possible interest rate,

Have you ever noticed what a man does when gets a few thousand dollars ahead? The next thing you hear of that fellow he is leaving the mountains with his family to a place where he pays a road tax and has good roads. It is the case invariably.

Gentlemen, we appeal to you as a citizen, as a man who wants to live and enjoy life to the utmost, one who expects teacher. and is willing to do the most possible good for his county, to vote for the men who will stand for the roads above ev. Cecil, visited W. B. Ely and famerything.

To the Voters of Mor-
